MAPLE TREE CHILDCARE CENTER

Left to right, Sister Jeron Osterfeld, Current Board Member; Sister Duane Moes, Chairperson of the Center's Organizing Committee; and Jennie Schlauch, Mapletree's Director, invite you to stop by and see the great facilities.

Embarking on their 16th school year, the Maple Tree Childcare Center provides quality care for children ages 6 weeks through 5 years. Associated with the Sisters of St. Benedict and located on beautiful acreage, the Center has been very popular. The curriculum is stimulating and developmentally sound. The staff members are highly trained and have had exceptional longevity. Clients enjoy a close relationship with the teachers as they "co-parent" the little ones. Contact Jennie (Program Director) for more information on Maple Tree. She and the staff appreciate the support you have shown in voting MTCC the "Best Childcare Center."
