

Mission Statement:

Our mission is to create a special place where children are sheltered and nourished with love and learning.

We Believe:

- In providing a stable, nurturing and stimulating environment.
- In development of the “whole child” with focus on cognitive, physical, social, spiritual, and emotional well-being.
- In offering group experiences to prepare children for future education.
- In providing significant one-on-one interactions to meet each child’s needs and to promote their individual learning process.
- In designing classrooms, which offer successful experiences contributing to self-esteem.
- In teaching children with concrete, hands-on experiences as a basis for more advanced abstract thinking.
- In modeling and teaching Christian values and fostering kindness within the children.
- In welcoming each child and family with appreciation of their worth and individuality.
- In acceptance of all people groups as we promote diversity and reflect a worldview in our posters, dolls, books, etc.
- In keeping parents informed regarding their child’s progress, the curriculum we present, and special events at the center.
- In “co-parenting” with our families, keeping the best interest of each child in mind.

We Offer:

- Year round weekday programs from 6:30AM to 6:00 PM, with half day and full day options.
- A daily note about your child’s experience at Maple Tree.
- Monthly newsletters.
- Parent-teacher conferences twice a year.
- Breakfast, snack, milk, and 100% juice daily.
- Monthly inspections by a public health nurse.
- Daily cleaning service.
- Bright and stimulating classrooms for infants, toddlers, and preschoolers.
- A safe and secure facility surrounded by abundant green space.
- An open door for parents desiring to spend time with their child, assist in the classroom, or serve on committees.
- On-site enrichment programs which are offered at no extra cost.
- Stimulating, age appropriate curriculum.
- Highly qualified staff members with exceptional longevity.
